Education

Emerson College

Bachelor of Science in Journalism
December 2020

Minor in Global & Post-Colonial Studies.

Experience

The GroundTruth Project

Digital Intern | September 2019 - present

Supported special projects such as "Democracy Undone," a fellowship committed to reporting on rising global authoritarianism. Assisted in the creation of visual presentations for WordPress. Curated newsletters such as "The Navigator" geared towards early-career journalists.

LatinoReporter.org

Reporter | May 2019 - September 2019

Pitched stories such as exploring the political identities of Latinx people in the military. Reported on post-mass shooting anxieties. Shot and edited audio using a Zoom recorder and Adobe Audition to accompany news stories. Published MOS profiles in a series titled "Mi Gente."

Atlas Magazine

Globe Editorial | January 2019 - May 2019

Pitched & reported on feature stories, such as a profile on the life of an activist on her pursuit to eradicate female genital cutting.

The Berkeley Beacon

Enterprise Reporter & Editor | January 2018 - March 2019

Responsible for AP style, fact-checking, and headline writing. Spearheaded live coverage of a 600-person public protest organized by Emerson College students. Regularly covered breaking news such as UNITE HERE Local 26's seven-hotel strike against Marriott International. Wrote 800-word story on tight deadline. Investigated the college's relationship with diversity by analyzing admissions data.
